

6th Grade Informational Forum

Monday, October 28, 2019

6:30 PM

Rollinsford Grade School Gym

Please join us for a public forum to discuss the feasibility of sending our 6th graders to Marshwood. The purpose of the forum is to hear from you all and answer your questions or concerns.

A panel of experts will take questions and provide information on:

- The advantages of students remaining in a K-6 environment
- The advantages of students entering middle school for 6th grade
- The financial impact of sending 6th grade to Marshwood

All are welcome to attend. There will be plenty of time for questions and comments from the public. We look forward to seeing everyone there!
