

3/1/2034 Wellness Committee Meeting

Present: Jenna Tousignant, Amanda Walsh, Katie Krauss, Tracy Fitch, Sara Pickard, Pete Demeritt, Wendy Berkley, and Nan Soule

Discussed Wellness Night Event. Sara gave everyone copies of the flyer to put up in our buildings and anywhere else we thought appropriate. We reviewed the spreadsheet of attendees and assigned people to reach back out to some we have not heard back from. We decided to use colored tickets to try to stagger dinner times. Nan and Jacque have some tickets we can use. We decided to begin to publicize the event on social media and with flyers 2 weeks before the event.

The group is relieved to see that the event seems to be finally coming together.

We will move the next meeting up to March 15th at 3:15 in the Maple Wood Library.

Respectfully submitted,
Jenna
